'Hardwork is nothing without guidance.'

Initially I started as an average student in the intense war of acquiring an IIT seat. My journey to what I have achieved was overcome initially by failures and lack of confidence.

But Respected R.C. Sir discovered my potential and motivated me towards my goal. With systematic matter presentation, in depth problem analysis and unique but simple method of explanation of concepts, he is able to create an ideal environment for intensive studies. But what makes 'Out-of-league' teacher is his father-like communication with his students.

He cares for every student like his own son irrespective of their merits. His cool and gregarious attitude is what makes him my
