

Hello Friends,

I would like to express my thanks to RAJESH CHAUDHARY sir, under whose expert guidance, I studied 11<sup>th</sup> & 12<sup>th</sup> & cleared IIT-JEE 2006. His concepts and his ability to implant these concepts into students, distinguishes him from other Maths Teachers. Optimum Pace & subject material helps students to prepare for all exams at the same time. Logical & realistic questions during classroom teaching & emphasis on basics truly helps the students to gain expertise in Mathematics.

His ability to provide mental peace to the troubled minds of students makes him an exceptional teacher. He is not only the best in academics, but he is a good motivator also. I would like to thank him for providing <sup>me</sup> necessary & basic inputs required for clearing JEE-2006 & AIEEE-2006.

Yours,

Vartul Ajey
